What evaluation information was collected this month that may assist this student in obtaining employment?

Please include how the information was collected (specific efforts, activities, and/or targeted evaluation sites). While spending time with Jade at school & in the community she seemed shy and in need of attention. Jade expressed her interest in trucks and she stated that she likes helping her dad when she's not in school. While spending time with Jade's peers they mentioned her shyness. Jade's teacher mentioned that Jade has a fascination with large trucks and animals, because every chance Jade gets she looks at truck magazine and animal books. She also stated that Jade has good school attendance.

What New Evaluation Issues/info did you identify this month? Jade's parents are divorced and Jade seems unhappy with the living arrangements. Jade is now living with her grandmother, which she seems to like. Jade expressed her interest in trucks and animals. Spent time with Jade looking at truck magazines and books of small animals, which she got from the school library.

Next month I plan to collect further evaluation information by doing the following: Next month I will be taking Jade to several targeted evaluation sites to job shadow such as Pampered Pets, Pets and More. Also, plan on meeting with Jade's Grandmother. Would like to explore Jade's interest in trucks, by talking with Jade and maybe Jade's father. Will also review Jade's school records.
