**What information was learned from the results of this month's efforts and activities and/or evaluation sites?**

Jade's new Evaluation site at Pampered Pets is going good. She helps with feeding, cleaning cages, play time with the Pets but most of her time is spent grooming the pets. Jade has a special talent interacting with the pets, they really take to her. She baths, cuts hair, cuts nails, applies flea treatment, brushes and even paints the dogs toe nails (when needed). Jade's co-workers are really taken with her, they where amazed at how quick she picked up on things when first demonstrated for her. Jade's supervisor even stated that Jade has a "special knack" when caring for the animals. Jade even seems to do o.k. with customers when one -one. Customers have even started to request Jade to groom their pet. Jade has her own work station which is small and away from any distractions. Jade has continued to improve on relationships at school.

**What New Evaluation Issues/info did you identify this month?** Need to follow up with Jade's Grandmother about Jade's living arrangements, to make sure of transportation, work and work schedule, etc.. Jade will need further training on actual grooming (cutting/trimming) of different types/sizes of dogs.

(Please attach additional notes as necessary)

**Next month I plan to collect further evaluation information by doing the following:** Continue to observe Jade at Pampered Pets and look for ways to continue to strength Jade's job skills. Arrange for Jade to job shadowing with another groomer at Pampered Pets. Follow up with Jade's Grandmother. Also, want to check Jade's progress at school by talking with Jade's teachers.
