

# DOSS HIGH SCHOOL

**Peer service learning  
projects**

# HOW IT WORKS

- Students with disabilities work along side non-disabled students on service learning projects.
- Everyone works together to better the community and give service to others.
- Everyone learns by participating together on the projects.

# What We Gain from Participating

- ❖ Life Skills
- ❖ Self Worth
- ❖ Self determination
- ❖ What it feels like to help others!
- ❖ Friendships
- ❖ Being involved in a great community!
- ❖ Understanding of working together.

# Doss Service Learning

- **Recycling project**
- **Meals on Wheels**
- **Reading to younger students**
- **Health Fair 2003**

# Recycling

- ✓ Done every Friday 1<sup>st</sup> and 2<sup>nd</sup> hour.
- ✓ Collect all paper products in building
- ✓ Put products in the dumpster for City pick-up
- ✓ Call when dumpster needs emptying

# Reading Program

- **Work together to find children's books to read**
- **Make story boards to help illustrate books**
- **Present books to preschools and neighboring elementary school!**

# Other Projects

- **Work with Sports Medicine on Health Fair**
- **Deliver Meals on Wheels to Elderly**
- **More to Come!**
