As an SCL based agency, we support individuals with mental retardation and brain injury who have been approved for SCL supports. We are also beginning to support children in the DCBS program. We provide all supports approved by SCL (i.e. residential, community habilitation, respite, behavior supports, etc...).

If we get a referral to provide Supported Employment, then the individual must be approved for SCL.

Supports for Community Living (SCL) is a home-and community-based waiver under the Kentucky Medicaid program and was developed for Kentucky residents as an alternative to institutional care for an individual with mental retardation or developmental disabilities. SCL allows an individual to remain in or return to the community.

Qualifications: Individuals with mental retardation or developmental disabilities who meet the requirements for residence in an Intermediate Care Facility for persons with Mental Retardation (ICF/MR), and who meet other Medicaid requirements.

Homeplace Support Services is an SCL Provider that includes the following support services: Staffed Residence, Community Living Supports, Community Habilitation, Respite, Prevocational Services, Supported Employment, Occupational Therapy, Physical Therapy, Speech Therapy, Behavior Support, Support Coordination, Psychological Services.

OWL is a community rehabilitation program serving the Lexington area since 1961. Comprehensive vocational rehabilitation services include: Vocational Evaluation, Life Skills Classes, Work Adjustment/Conditioning, Job Readiness, Competitive Employment and Supported Employment. OWL's Supported Employment Program has been designed to provide employment services for severely disabled individuals who are determined eligible for SE services by the Office of Vocational Rehabilitation. The following individualized services are included: Person Centered Job Selection, Job Development, Job Retention with job coaching and development of natural supports. All employment is in integrated settings in community businesses. At the time of referral, OWL will explore and determine a plan for funding long term support for each individual.

The Southwest Center was founded in 1982 as a growing response to the need for programs and employment opportunities for adult individuals with developmental disabilities. The Southwest Center is a 501 (c)3 non-profit organization located in southwest Jefferson County. As your one stop shop for services the adult day program includes On-Site Employment with a structured work environment through differed work contracts with local area businesses, an Adult Day Training and Activities program, Supported Employment and Community Rehabilitation Program services. In addition Handi-Craft Ceramics, a retail ceramics shop was added to our array of instructional services for the individuals we serve and the community at large. We accept both private pay and those individuals with the SCL waiver.

Supported Employment Alliance provides supported employment services to adults with significant disabilities including mental retardation, traumatic brain injury, autism and other developmental disabilities that meet the criteria of the KY Office of Vocational Rehabilitation.

Services include person-centered job selection, job development and short and long-term supports. Our mission is to help adults with disabilities find and keep meaningful employment as a step toward reaching the greatest possible level of independence.

SEA also offers consulting services to beginning supported employment agencies in Jefferson and Oldham counties.

Tri-Generations is a multi-service provider under the SCL Waiver Program. The services that are provided by Tri-Generations are Case Management, Residential Supports, Adult Day Training, Supported Employment, Community Living Supports, Behavior Supports, Psychological Services, Occupational Therapy, Physical Therapy, Speech Therapy and Respite. Tri-Generations believes that people with development disabilities and their families are the primary decision makers in the management of their lives. Tri-Generations will support individuals and their families to make informed decisions, which will empower them to direct their supports to the extent they desire. Through the generations of life, we celebrate the ordinary and extraordinary moments of each person's life. These celebrations are based upon three values of mutual respect, self-determination and faith in God.

Vocational Alternatives is a program of Seven Counties Services that provides Supported Employment services to adults with severe and persistent mental illness. For more than 20 years, Vocational Alternatives has coordinated with the Office of Vocational Rehabilitation, Community Employers and Social Services professionals to successfully assist program participants with achieving their employment goals.

Program services include: Employment Readiness Classes, Job Placement, Job Coaching, and Long-term Individual and Peer Group support. Our experienced Staff and Peer Advisors are available to provide consultation to potential participants and referral sources as needed. For more information about our program or to make a referral phone (502) 589-8540.

Serving employment–disadvantaged individuals Welcome House Employment Services offers a ten week Job Club covering tools necessary for employment such as how to complete applications, what to do in interviews, resume writing, and dressing for success for the important first impression. A Ride ‘N Seek van takes clients to hiring job sites and assists with completing applications. Job Coaches work one on one with clients and with many employers in the Northern Kentucky area. The Women’s Crisis Center, Transitions, Cabinet for Families and Children and the One Stop are some of the referring agencies. Welcome House collaborates with the community to provide a continuum of quality services for individuals and families who are either homeless or at risk of becoming homeless to eradicate homelessness, foster stability and promote a just society.
